

Points (1 Point Each)	User Story	Criteria (Out of 10)		
1	Your tribute page should have a main element with a corresponding id of main, which contains all other elements	Delivery	10	Is the assignment on time?
1	You should see an element with an id of title, which contains a string (i.e. text), that describes the subject of the tribute page (e.g. "Dr. Norman Borlaug")	Program Specifications/Correctness	9	Are there errors and does it meet specifications?
1	You should see either a figure or a div element with an id of img-div	Documentation	10	No errors, and the code is well-commented.
0.5	Within the #img-div element, you should see an img element with a corresponding id="image"	Reusability/DRY	10	No errors, code uses the best approach for this program and code doesn't repeat.
0.5	Within the #img-div element, you should see an element with a corresponding id="img-caption" that contains textual content describing the image shown in #img-div	Score out of 40	39	FINAL GRADE
1	You should see an element with a corresponding id="tribute-info", which contains textual content describing the subject of the tribute page	Score (Out of 49)	47	
1	You should see an a element with a corresponding id="tribute-link", which links to an outside site, that contains additional information about the subject of the tribute page. HINT: You must give your element an attribute of target and set it to _blank in order for your link to open in a new tab	ADD EXTRA CREDIT	49	100%
1	Your #image should use max-width and height properties to resize responsively, relative to the width of its parent element, without exceeding its original size			
1	Your img element should be centered within its parent element			
Score out of 9		8		
Extra Credit (Out of 5)		2		
Comments				
	Nice job on adding the video! However, pay more attention to your user story okay? I took half points off for it.
